Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am objecting to the hideous and inappropriate signage - completely out of character with the rest of the high street. In addition, I understand that the shop will be open very late, including until 1AM on Saturdays ! This seems unnecessary and unwarranted and will inevitably result in groups of people, many probably drunk or worse wandering around a residential street late at night, extra traffic and likely extra noise and litter. I would also like to point out that the high street is a disgrace- 7 charity shops, several closed shops and cheap takeaways etc - Is there no planning or strategy for the high street to develop into an attractive

and more useful/appropriate place be ? Do we really need another
vape/convenience store...which effecti ely replaced a pleasant
independent cafe....

Kind regards
