Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to register a strong objection to the application. The fields are of great value to residents - they're the only large green space in the area; there's no other large open space within walking distance. The damage done to the setting of Wickham Farm and Sunte House (both Grade II listed; I walk past them most days) would also be incalculable. In closing, I object to DM/26/1315, and ask that it be refused

Kind regards
