Reasons for comment:	
Comments:	I would like to object to the change of use of the property from a café to primarily a vape shop. Reasons being, we already have a significant number of vape shops and shops selling vapes in Hayward's Heath. I fact there is one only two shops away! As a responsible council I don't believe you should be promoting the sale of vapes and cigarettes. Secondly, vape shops of this nature, once established, have links to organised crime. Sad to say, all run by foreign nationals who only pay lip service to upholding UK law. I understand there needs to be a balance of shops on the High Street but this is one we could do without.

Kind regards
