Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We do not need another convenience store that will bring more traffic and parking problems this is already a busy road and frankly dangerous we can't have a crossing for the school? , the park is still waiting for the kids equipment ? so no thank you , we have three stores already in the village

I get the landowner wants to generate profit but not at the expense of the village ,

Kind regards
