Dear Hamish

Thank you for the questions.

Foul Water Drainage

We have asked Aegaea to clarify this and expect to respond later today.

Surface Water Drainage:

Yes, I can confirm that this is within our ownership boundary of Title WSX254542. We, the applicants, own the full title outright. You have already uploaded the Title Plan to your portal.

Best regards

You don't often get email from amandabutton@yahoo.co.uk. [Learn why this is important](#)

Just resending this Hamish as apologies, I included the wrong case reference number in my email earlier. Correct case number for Hounds' Cottage is DM/26/0064. Apologies!

Dear Hamish

I hope you had a good break.

Please find attached the Flood Risk Assessment and Drainage Strategy Report that you requested before you went away. We appointed Aegaea to carry this out in a short time frame for you and your Flood Risk and Drainage team. Any queries at all please let me and Stephen know.

Thanks and we look forward to hearing from you soon.

Best regards

Amanda
