### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village is struggling from an infrastructure perspective regular power cuts, water shortages. Roads are dangerously busy already with heavy congestion leaving the village and on Turners Hill Road. No doctors appointments available for current residents and shops in the village are too small with hazardous parking. The

council should focus on resolving the current issues for the population that already lives in the village
