Hi Stefan

Comments on the above discharge of conditions application.

Condition 2- Facing and roofing materials.

The proposed bricks appear acceptable in principle but we need a full spec. – manufacturer's name, range and colour.

The proposal to re-use the existing roof tiles with new to match is acceptable in principle, but we need a full spec. of the new tile that will be used to make up any shortfall- manufacturer's name, product range and colour.

Condition 3

- Internal and external doors

The details as submitted are acceptable.

- Eaves details

Although the proposal to match the existing eaves detail to the house is acceptable in principle, we will need to see the larger scale sectional drawings requested by the condition.

Thanks,

Emily
