Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to object on the grounds that the area has suffered from many water outages, the local schools at Primary and Secondary cannot expand to accommodate additional pupils, the local GP today does not have adequate parking, the Hanley Lane continues to be in a poor state of repair and this would inevitably lead to a worsening of the surface. If the house are to be built opposite the current roundabout that will destroy an import

Kind regards
