Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	At the present time it is becoming difficult to reverse onto Wickham Way with the layout of staggered driveways and the increasing number of cars etc parked on opposite sides of the roads. Many times I have witnessed poor staggered parking where it would be almost impossible for fire trucks or similar to be able to quickly access an emergency. Therefore any additional houses can only add to this problem.

Kind regards
