Reasons for comment:

Comments: It is not made clear if comments to the original application dated 19/01/2026 are carried over to this slightly amended application under the same reference number. I therefore wish it to be understood that my comments submitted on the 13/02/2026 remain and therefore we strongly object to the planning application.
In addition I have read the comments from the person at 16 Lister Avenue dated 18/07/2026 and find agreement on every one of their objections and would like these also to taken into account.
So in conclusion I request that the application be refused without further delay.
Yours sincerely

Kind regards
