Customer Details

Address: Park Court Church Road Haywards Heath

Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object on this flat being built for several reasons:

- During the construction process the need for trucks and other big plant vehicles will need to access the area outside of my house, being an extremely noisy procedure, and will distract me significantly as I work fully remote from my address
- The wall that will be situated at the back of the property is slowly being pushed and cracked by the soil on the other side, in time this will be a cause for safety.
- The area where this is suggested to be built is already very

congested and noisy, where adding another house here would only add to the congestion and noise pollution

I believe this will significantly lower the quality of life and value of other properties around here and would not want this built.

Kind regards
