Hello Caroline
Thank you for your email.

On reflection, I have decided to proceed without making the door opening part of this application.

I left 4 copies of the revised plans at the front desk yesterday.

Kind Regards
Martin

Dear Martin,

Thank you for the email.

I understand that it is intended to re-instate a door, however without elevations we have nothing to confirm this. The elevations would show the size of the opening and door proposed, so we are clear on what is proposed.

I hope that the above clarifies,

Kind regards,
Caroline

Dear Caroline

DM/26/1259:Hillsborough House ,118 High Street , Hurstpierpoint

Thank you for your email of 9/6/26.

The current application proposes to reinstate the doorway to the ground floor store shown on previous application (DM/15/0334 and DM/19/118).

As this is reinstatement of what was existing for many years, would it still be a requirement for the additional elevations?

Kind Regards

Martin

Dear Martin,

DM/26/1259: Hillsborough House, 118 High Street, Hurstpierpoint

I am writing further to the above planning application, for which I am the Case Officer.

Having undertaken an initial review of the submission, I note that external works are proposed to the building. Please can you therefore supply existing and proposed elevations of the property, so that these works can be fully understood. These plans do need to be drawn to scale, either at 1:50 or 1:100.

For ease, do email these directly to myself and I can get the file updated,

Kind regards,

Caroline
