Address: 64 Blackthorns Lindfield Haywards Heath West Sussex

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We discovered this area on walks during COVID and my family and friends continue to enjoy the area to this day. Whilst there are several natural areas to enjoy in the locality they are reducing through all of this local development. This development would further restrict resident's access to green spaces within walking distance. Many recent studies have reflected on the benefits to physical and mental health of having readily available green spaces. Making them accessible to many only via a car journey counters all the benefits to individuals, and likely those that need

them most.

That aside, show me the increased provision for local amenities, schools, local shops, green areas, play areas, doctors surgeries, sports facilities that have been provided by the other recent developments in the area before adding more housing and making things worse for current residents.

Kind regards
