

Application reference: DM/26/1395 and DM/26/1442

Site Address: Bolney Park Farm, Bolney

Site Visit Date: 19.06.26

North –

South –

East –

West – The Old Dairy building is located to the west of the main farm building on site. It is composed of what appears to be corrugated metal sheeting painted in a green colour. Internally there is a living room, kitchen and some bedrooms.

Streetscene –

Other - Open and verdant setting with fields surrounding the area subject to the application. The farm buildings associated with the site are positioned further to the south of the site.
