

1) Heritage Statement for a garden outbuilding at St Anns House, Black Hill, Lindfield, RH16 2HE

Overview

Heritage Category:	Listed Building
Grade:	II
List Entry Number:	1025480
Date first listed:	06-Apr-1970
List Entry Name:	St Anne's
Statutory Address:	ST ANNE'S, BLACK HILL

Proposal

Planning permission is sought to install a wrought iron pedestrian gate within the perimeter wall at the front of the property next to existing driveway gate.

This is needed for incidental use for the main dwelling house.

It is proposed that the gate and wall pillars are designed to be a wrought iron and rendered wall pillars to match the existing wall which will not compete with the main house.

Significance

Details

TQ 3426 LINDFIELD BLACK HILL (north east side) 6/150 St Anne's 6.4.70 II House C1830. Painted brick with hipped slate roof having end chimney stacks. 3 parallel ranges, 2 storeys. Front elevation has two 24 pane sashes and central doorcase with rectangular fanlight under later lean-to conservatory. The left side elevation has a porch with engaged Tuscan columns and 3 sashes, one of which is tripartite.
