Reasons for comment:

Comments: Dear Mr King,

I raise an additional point to my initial objection letter.

After the district plan hearing Mr Bore discussed density and harm to the Landscape in general.

In his summation of DP7 on Day 8 of the hearing in relation to this application "that there needs to be to the Landscape features, the heritage features in the area". To the extent that he was gong to revisit the site yet again.

The setting next to the National Landscape must be considered more.

Yours sincerely,

Kind regards
