**Subject:** Aldi Haywards heath DM/24/3077

[REDACTED]

Dear Sirs

I am writing to set out my approval for the new Aldi store in Haywards heath.

As a mother in a family of five, having access to a low cost supermarket in the town is significantly advantageous. Currently I have to travel to East Grinstead or Lewes, which is inconvenient, time consuming and impacts the environment.

I also think the job opportunities to young people would be a big advantage to the town.

Kind regards

[REDACTED]
