Reasons for comment:

Comments: Dear Sirs,

Our objections to the latest amended proposed development of the Hurst Farm site (comments 11/7/23 refers), remain unchanged. What has changed, is the extent to which our previous concerns have become exacerbated

Hospitals, doctors, dentists and other vital services are at breaking point, following the recent completion of housing developments in the area.

Public transport serving the Fox Hill location, could at best be described as a token gesture !.

As stated by another resident, the traffic on Fox Hill, is continuous and extremely fast flowing, despite the so called 30 mph speed restriction.

With the new estate neighbouring the Fox and Hounds, the influx of vehicles that a further 375 houses would bring and the dropping off and collection of school children, safely, this proposed development, is surely a recipe for disaster.

We would respectfully request that this proposal be rejected in its present form.

Yours sincerely,
