Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I feel that the new building should match the height of surrounding buildings and not be higher than 2 storeys. A 3 or 4 storey building would block the light and be out of character for the centre of the village. Also I can't see how there will be enough space to provide parking for each of the 26 flats. It will make rush hour traffic even worse.
