### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I live at the start of grand Avenue and I can never get on my drive due to people parking across it because there is already nowhere to park, where are the 26 plus new occupants going to park? It takes 2 weeks to get a doctors app, what doctors are they going to attend , all these extra properties are destroying our village and it is no longer the safe village it once was for our children . Stop allowing the building flats and houses !

Kind regards
