Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We are happy with the balcony at 71. It is smart and presentable. It in no way impacts negatively on us. Someone on the balcony would only see us in our conservatory if we were standing right at the door - just the same as it was before if they looked out from their existing window. Similarly if we were in the garden.

Kind regards
