Dear Sir/Madam

Reference: DM/24/3088

Description: Demolition of existing garage, removal of existing box dormer, rationalisation of all above ground external mounted foul surface drainage pipes, construction of two storey side front and rear extension, single storey rear extension, new loft conversion with rear dormers and detached double garage together with all associated internal and external alterations (Amended Plans received 24.01.2025)

Location: Bramham Moor Tylers Green Cuckfield Haywards Heath

With reference to the above planning application you will be aware of the importance to the Council in determining applications according to the Government's timeframes of 8 or 13 weeks. However, under the provisions of the Town and Country Planning (Development Management Procedure) (England) Order 2015 under Section 34 (2)(c) it does allow the Local Planning Authority and the applicant to agree an extended period to determine applications:

http://www.legislation.gov.uk/uksi/2015/595/pdfs/uksi_20150595_en.pdf

I seek agreement with you to further extend the period available to determine the application to 18th February 2025 for the reason(s) noted below:

1. Amended plans submitted after initial submission to improve the scheme, therefore, subsequently missing committee schedule. It will not be possible to determine the application within the statutory determination date.

I would be grateful if you could confirm, in writing or by email, your agreement to this extension for the Council's records.

Yours faithfully

Planning Services Division
