Commenter Type: Neighbour or general public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: The town needs places for people to meet that aren't based around alcohol or single activity. This application will help the centre take a central role in providing that safe place during the day and evening.

All sorts of group from parent and child, families and youth groups

as well the opportunity for educational use or just a hub for people with common interests to rent.

There should be restrictions on use for political events.

Kind regards
