Emily advised that, from a procedural point of view, the minor change in design, to omit the recessed side entrance door and window and replace them with a new sash window would, whilst not being considered contentious, would require an application to vary Condition 2 (list of approved plans) of Planning Permission DM/25/0454 - which is this application. The changes would also need a separate application for a new Listed Building Consent which we have submitting (Planning Portal reference: PP-14308905).
