Reasons for comment:	
Comments:	Having viewed the plans, I have the following objections. I am a neighbour. I am concerned because of the height of the proposed development. This totally dwarfs my property, and will have a detriment to the light and privacy of my home. I am also concerned that the wall of the current extension is a party wall. My dwelling is very old, and I am concerned about the effects on the

foundations of my home. I feel that the development is too large and that it should not have a larger footprint to the, currently suspended, development at 43 The Broadway

Kind regards
