Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I would like to propose that during the potential works done on the Freeks Lane walkway, the unofficial access hole which opens into

Buckthorn Place (Between Eastbridge Avenue and Maple Drive) be closed off to prevent access. My objection to this access is for health and safety reasons as it opens directly onto a road and not pathway. And also for security reasons to help protect the local residents from people being able to get to the back of people's houses under cover and also to stop the access of illegal vehicles such as motorbikes and quad bikes. This access was never meant to be there and has been created by the public and not the land developers.

Kind regards
