Subject: DM/26/0303 - Land North Of Bokers Arms Road Copthorne West Sussex

Hi James

I'm writing with regards to the above planning application.

I've been made aware in a recent representation letter that several new documents relating to ecological matters have been submitted to Tandridge District Council. I have looked on their website, and the Updated Bat Scoping and Emergence Survey Report relates to the demolition of the industrial building within Mid Sussex. I therefore think that this document should also be submitted to MSDC. Can this be provided please.

Regards
