MID SUSSEX DISTRICT COUNCIL

DM/25/2255

**19 Foxglove Close, Burgess Hill, West Sussex, RH15 8UY, , ,
(T1) Oak - reduce crown by approx 1m
Mr John Temple**

Permission is sought for the works as described.

The tree is a mature specimen located in the rear garden of the property. It has veteran features and is in decline. Public visibility is limited to views between houses.

The crown exhibits significant die back and 'stagging'. It is hoped that the works may encourage some rejuvenation of the tree.

With regard to the town council comments, the diagram is adequate to identify the tree and no additional details may be requested. Further, a tree report has never been required for a tree reduction and it would not be reasonable to do so.

Permission is recommended.

Decision: Permission
