Address: 18 Burleigh Way Crawley Down

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The play area needs to be improved (and made bigger in my opinion with the growth of the village (look at what Copthorne are getting), so any improvement to the existing play area should be supported. Parking on Bowers Place is awful, the curbs have been destroyed by cars being parked on the existing pavement, you have to walk on the grass currently to get down (or up) Bowers Place on that

side of the road due to vehicles, therefore providing more parking but still giving space for emergency vehicles will enhance the area. Please grant planning permission for this work. It will benefit our children and local residents.

Kind regards
