Hi Chris

Discharge of planning conditions nos 28 and 40 relating to planning application DM/23/2699

I'm writing with regards to the above conditions discharge application, specifically condition 40. The final part of the condition requires details of 'persons responsible for implementing the compensation measures.' I could not see a specific reference to this in the submitted Farmland Bird Compensation Strategy. Are you able to clarify this point please.

Regards

Steve
