Aldi - Hayward Heath - Application Reference: DM/24/3077

Dear Officer,

Application Ref: DM/24/3077

I am writing to submit my comments in support of a new Aldi store in Haywards Heath.

This application would deliver a number of benefits to the local area, including:

- Significant investment into the local economy
- More jobs available for local people
- Greater affordable produce during a cost of living crisis
- Excellent quality and lower cost products for everyone
- More people will visit the area and also visit other shops and restaurants which will generate more income for local businesses.

I have moved to this area from another area where there are several Aldi stores and I would really welcome the opportunity to shop again at Aldi where the products are excellent and the prices are very competitive. As an older person, I really value this cost saving during a time of rising prices.

I hope that the council will act in the interests of local people by approving this application.
