Dear Mr Gibson,

Please find attached my planning objection regarding DM/26/0303.

Location: Development Site East of Farthings, Copthorne Bank, Copthorne, Surrey RH10 3JF

I understand that the public comment period has officially closed; however, I hope you will still consider these points. I originally attempted to submit this representation before the deadline, but there were problems with the portal. In my haste, I emailed but unfortunately entered the email address incorrectly. I have only just realised the email bounced back and am re-submitting it immediately upon discovery.

Please find attached a copy of my letter of objection. I would be very grateful if you could add these comments to the case file or ensure the points raised are taken into consideration during the decision-making process.

Thank you for your time and assistance.

Kind regards
Freya
