PERSONAL STATEMENT

Please find attached my application for a Certificate of Lawful Development for the siting of a mobile home within the curtilage of my property, 24 Wealden Way, Haywards Heath, RH16 4AF.

The proposed small annex is intended to provide suitable accommodation for my 78-year-old mother, allowing her a private space separate from the main family home, where noise levels can be high due to my daughter's ASD-related needs. This arrangement will support her wellbeing, as she is increasingly forgetful and does not wish to live alone. The annex will enable her to remain close to family while maintaining a peaceful and comfortable living environment.

Thank you for considering this application. I look forward to your response.

Kind regards,
Susie Dalton
