Dear Sir/Madam

**Planning Reference DM/26/0051 Proposed Creation of Three
Outdoor Padel Tennis Courts**

I am writing to issue my support for the development of EIXO Padel and the above planning application recently submitted for construction of 3 outdoor courts at Gatehouse Hub, Neaves Park, Goddards Green, BN6 9ZN.

I am a House Master at Hurstpierpoint College and EIXO provides the perfect location and facilities to host House Events for our pupils covering a varying age range. EIXO will be providing one of the only children padel courts in Sussex and will have coaching staff and equipment available which will enable our pupils and those from other schools the opportunity to learn and participate in this exciting sport.

This will encourage and promote health and well-being among our younger generation and will help widen our sporting curriculum and offer.
