[REDACTED]

Dear Ms Dubberley

I wish to object on safety grounds to the creation of a front driveway.

There are already two entrances/exits Tott Lane and Tott Hill and a bus stop. There are horses and riders that use this road and the traffic from Hassocks towards the village often stacks up rapidly on the Halton Shaws corner. The Victorian wall in front is an intrinsic part of an important house and should not be demolished.

Your sincerely
