**Reasons for comment:**

**Comments:** We are fully against the proposal for a care home.

We are concerned at the volume of vehicles/ pedestrians that will come up our drive by following satnav directions or miss direction to the care home, and that there is nowhere to turn around, other

than our private driveway.

We fully object to any access along our drive.

As for the care home itself we are extremely concerned about the huge amount of buildings works that will take place for a very long period of time.

We moved here over 20 years ago for the peaceful and attractive location and disappointed this will now change.
