RECOMMENDATION:	No Objection
S106 CONTRIBUTION TOTAL:	n/a

Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

The plans indicate three accesses onto the bridleway but will not directly impact upon the bridleway therefore I have no objection.
