11th August 2025

Dear Mr Marsh

DM/25/1593 Woodland Close

I am appealing to you directly
to reject the above planning
application.

The elderly residents have
lived here for more than
40 years (one for 63 years)
have brought up their
children and have grandchildren
who play safely in our
quiet cul-de-sac.

This is community!

The idea of our quiet
little close where we
thought we would we

would grow old will be shattered
if this appalling development
goes ahead.

The elderly residents are all
suffering anxiety, sleepless
nights. There will be noise
pollution, dust and everything
that goes with building.

The inspectorate rejected the
development via woodlands
close - so what's changed?

Please save our cul-de-sac
community and find another
field somewhere. Please leave
us in peace to live out
our days.

Thank you
