Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	With increasing traffic on busy B2116 we need mature trees to counter pollution and noise. Electric vehicles are heavy and there is more loud tyre noise. We have lost too many mature trees in vicinity over last 2 years and despite TPOs still get permission to fell. This application is within Conservation area.

Kind regards
