Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this development on the following grounds. 1) Additional traffic in an already busy village causing more parking problems. 2) More pollution from the increase in traffic 3) Apartments in this part of the village will be an eyesore and out of character with the surrounding properties 4) The proposal to have access to the development through Dawn

rise will be an accident waiting to happen as this will be on a bend.

5) we already have three food stores so this part of the development is not required.

In my personal opinion this application being submitted over the Christmas period has been done so many people will be unaware of the application

Kind regards
