ARCHAEOLOGICAL ADVICE

RE: 50 Hurst Road, Hassocks

The application is for the Discharge of planning conditions nos 7 and 9 relating to planning application DM/24/2505.

The submitted Written Scheme of Investigation suitably outlines the methodology and archiving requirements of the archaeological work. As a result, I am happy to recommend the discharge of Condition 7(i), to allow the archaeological work to commence.

Condition 7(ii) should not be discharged until the completion of the archaeological work (including any mitigation, if required) and the submission and approval of a report detailing the results of the same.
