Dear Anna,

Many thanks for the update. Would you like us to close this application out as withdrawn or will this stay open until new information is ready?

If we can support with any questions from Tony of course email them forward.

Dear Drainage

I have received an email this morning from the applicant, Tony Lock, to confirm that he is going to look at the FRA report afresh for this development.

He now intends to start again to develop a more integrated solution that works across both plots/ applications.

He has asked that I pass this information on to the drainage team.

Regards

Anna
