Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposal would have: a detrimental effect on the appearance of the area, especially as it is already designated AONB; a significant and overbearing impact on the working beef cattle farm and associated agricultural farmland; a loss of outlook currently enjoyed by villagers; Highway safety issues due to the inadequate quality of the village

access roads which are not even B roads, and are single tracks,
or crossing farmland, plus the restriction on vehicle tonnage limit
in the village which is there for good reason;
a serious and unnecessary intrusion into the countryside;
significantly increased noise and disturbance to the otherwise
tranquility of the countryside and village population.

Kind regards
