Subject: Planning application consultation - DM/24/2874 - Twineham Court Farm Bob Lane Twineham Haywards Heath West Sussex RH17 5NH

Good morning Rachel,

Thank you for reconsulting me on this application, the site is still high risk for great crested newts and therefore my original comments still stand. The applicant will need to obtain a licence to undertake works, there are 2 licensing options available to them: District Licensing or European Protect Species Licensing. through Natural England.

Kind regards,
Jennie

Jennie Shea
District Licensing Officer (Great Crested Newts) – West Sussex
