Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the proposed development due to Hassocks already being overpopulated with new developments, causing a strain on the services for the village. We cannot keep accommodating hundreds of new families year on year, the schools and other services cannot handle it. The pollution levels on London Road are already too high, and this will rate more traffic lonf term and traffic issues during development. We do not need this additional housing.

Kind regards
