Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to this application because: There is no need for a country park in this area. There are numerous footpaths already crossing the fields and woodland. New England Wood adjoins this area and any increase in foot or cycle traffic would destroy the beauty of this 28 acre nature reserve. This land is in the High Weald AONB and a "country park" would be very detrimental to the landscape

Kind regards
