Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support this planning application. The proposed car parking and infrastructure for the IAS marquee will greatly facilitate the Church's international gathering each year, which I have attended twice in the past. It will also benefit the local community by

supporting family-friendly events such as the Bonfire Night, and New year celebrations. I believe this development will be a positive addition to the area.

Kind regards
