Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am formally objecting to this development, specifically in relation to the proposed 2nd floor balcony. This would overlook our garden leading to a loss of privacy. This will be further exacerbated by the fact that the new homeowners have cut down all the trees at the bottom of their garden (close to the boundary with the garden of Birchen Cottage). They would now have direct line of sight from the balcony into our garden.

Kind regards
