PLANNING APPLICATIONS

Dear Sir,

I should be pleased if you would note that Ashurst Wood Village Council have made the following comment:

DM/25/0896

Location: Greenworld Cansiron Lane

Desc: Refurbishment of an existing dwelling, conversion of existing accommodation and carport, erection of a garden shed (amended plans and bat survey received 15/08)

Recommend: No objection. However, members would like it noted that they are disappointed that building works commenced before any planning permission was received and before a bat survey had been done. It has also been noted that construction work is occurring outside of permitted hours, including Saturday afternoons and all day on some Sundays.

Yours sincerely

Rebecca Roberts
Clerk to the Council
