Are you wishing to carry out works to tree(s) in a conservation area?	Yes
If you know which TPO protects the tree(s), enter its title or number	
Please identify the tree(s) and provide a full and clear specification of the works you want to carry out	Red Prunus Located in the front garden of the property on RHS. The branches are entangled around the BT line and power cable supplying the property. Greyhound Tree Services have recommended a reduction of 1.5-2 metres in the canopy height and a tidying up of the sides to be in keeping with the new height of the prunus. They have said this will encourage new growth and health for the tree in the future.
